## FROM OUR CHAIR

I am proud to say that I have been a part of the Crime Stoppers' journey since its inception 30 years ago. Our journey began in 1993 at a meeting held at the Tasmania Police Academy, where the Crime Stoppers Board was established by Police, business and community volunteers.

In 1994 the program began operating, and our vision has not shifted in 30 years. We remain focused on supporting the community and assisting Tasmania Police.

Over the years, Crime Stoppers Tasmania has been recognised both nationally and internationally for our leadership and collaborative partnership with Tasmania Police.

As we celebrate three decades of collaboration, vigilance, and success in keeping Tasmania safe, I sincerely acknowledge those who have contributed most to our success. The community! It's the people that contact us who are Crime Stoppers!

We are proud to have been supported by long term partners and have encouraged a safer Tasmania through our strong networks. To our partners, sponsors and supporters - my heartfelt appreciation to you. You enable us to provide our vital service and support for all Tasmanians.

On behalf of our volunteer Directors and the team, thank you to everyone who has ever played a part in keeping Tasmania safe through Crime Stoppers Tasmania. We couldn't do it without you!

## 30 YEARS PARTNERING SUCCESS WITH POLICE

Reaching the 30-year mark is a monumental achievement for any organisation, and Crime Stoppers Tasmania is no exception. Over three decades, Crime Stoppers has played a pivotal role in enhancing public safety and supporting the work of Tasmania Police.

From its inception, Crime Stoppers Tasmania has been a trusted partner. Together, we have tackled cases ranging from everyday home and vehicle burglaries to more serious offences.

The collaboration has proven invaluable in piecing together critical information, with each tip - regardless of its size - contributing to the larger puzzle of ensuring public safety.

Crime Stoppers Tasmania has demonstrated an impressive ability to evolve with the changing times, staying ahead of the curve to better serve the Tasmanian community. The introduction of the online portal offers a convenient and anonymous method for Tasmanians to report offences online.

Crime Stoppers Tasmania's success can largely be attributed to the exceptional leadership of David "Dickie" Daniels, who has been at the helm of the organisation since 1994. His collaborative leadership and unwavering dedication has been instrumental in shaping the organisation.

As we celebrate 30 years of outstanding service, we extend our heartfelt gratitude to everyone involved in Crime Stoppers Tasmania. Your dedication, innovation, and collaborative spirit have made a lasting impact on the safety and well-being of our community.

Here's to celebrating the achievements of the past and looking forward to continued success in the future.

# OUR NATIONAL NETWORK

Crime Stoppers Tasmania is proudly affiliated with Crime Stoppers Australia. Crime Stoppers is the nation's most trusted information receiving service for people wanting to share what they know about unsolved crimes and suspicious activity without saying who they are.

Crime Stoppers programs across Australia work collaboratively to create a powerful response to local issues as well as cross-border crimes; such as illicit drug manufacture, importation and distribution, wanted fugitives, illegal firearms and missing persons.

# OUR INTERNATIONAL FOUNDATION

In 1976 in Albuquerque, New Mexico, a detective was frustrated by a lack of progress for an investigation into the shooting murder of a young college student during a service station robbery.

With a lack of witnesses, a re-enactment of the murder was shown on the local TV station and people with information were promised anonymity and the possibility of a cash reward if the information led to an arrest.

That appeal saw a person come forward who had seen a car driving off and reported that it belonged to a resident in a nearby apartment complex. Acting on that information, two men were arrested and charged with the murder and a string of other armed robberies less than 72 hours later.

This was the start of the anonymous 'tips line' that has become Crime Stoppers and spread throughout the world.

# OUR PARTNERS AGAINST CRIME

## The Hon Felix Ellis, Minister for Police

Congratulations to Crime Stoppers Tasmania for providing an invaluable service to Tasmanians for 30 years and I am grateful to have the opportunity to celebrate this milestone. Our police officers do a fantastic job at enforcing the law and holding those who do the wrong thing to account. Despite this, there are some members of our community that do not wish to engage with police directly but would still like action to be taken to address criminal behaviour.

The work of Crime Stoppers helps to provide an avenue for the collection of intelligence and information about criminal activity that may otherwise be lost. Not only does this help bring peace of mind to members of our community, but it also assists our police in allocating and targeting police resources. Being able to report criminal activity anonymously helps Tasmania Police bring criminals to account and justice for victims in matters that may otherwise go unsolved.

A safer Tasmania is up to us all and the Crime Stoppers Board have been leaders in community safety, dedicated to making our State an even safer place.
